

The Challenges and Possibilities of sharing the offshore airspace

Sindre Johnsen, Avinor ANS

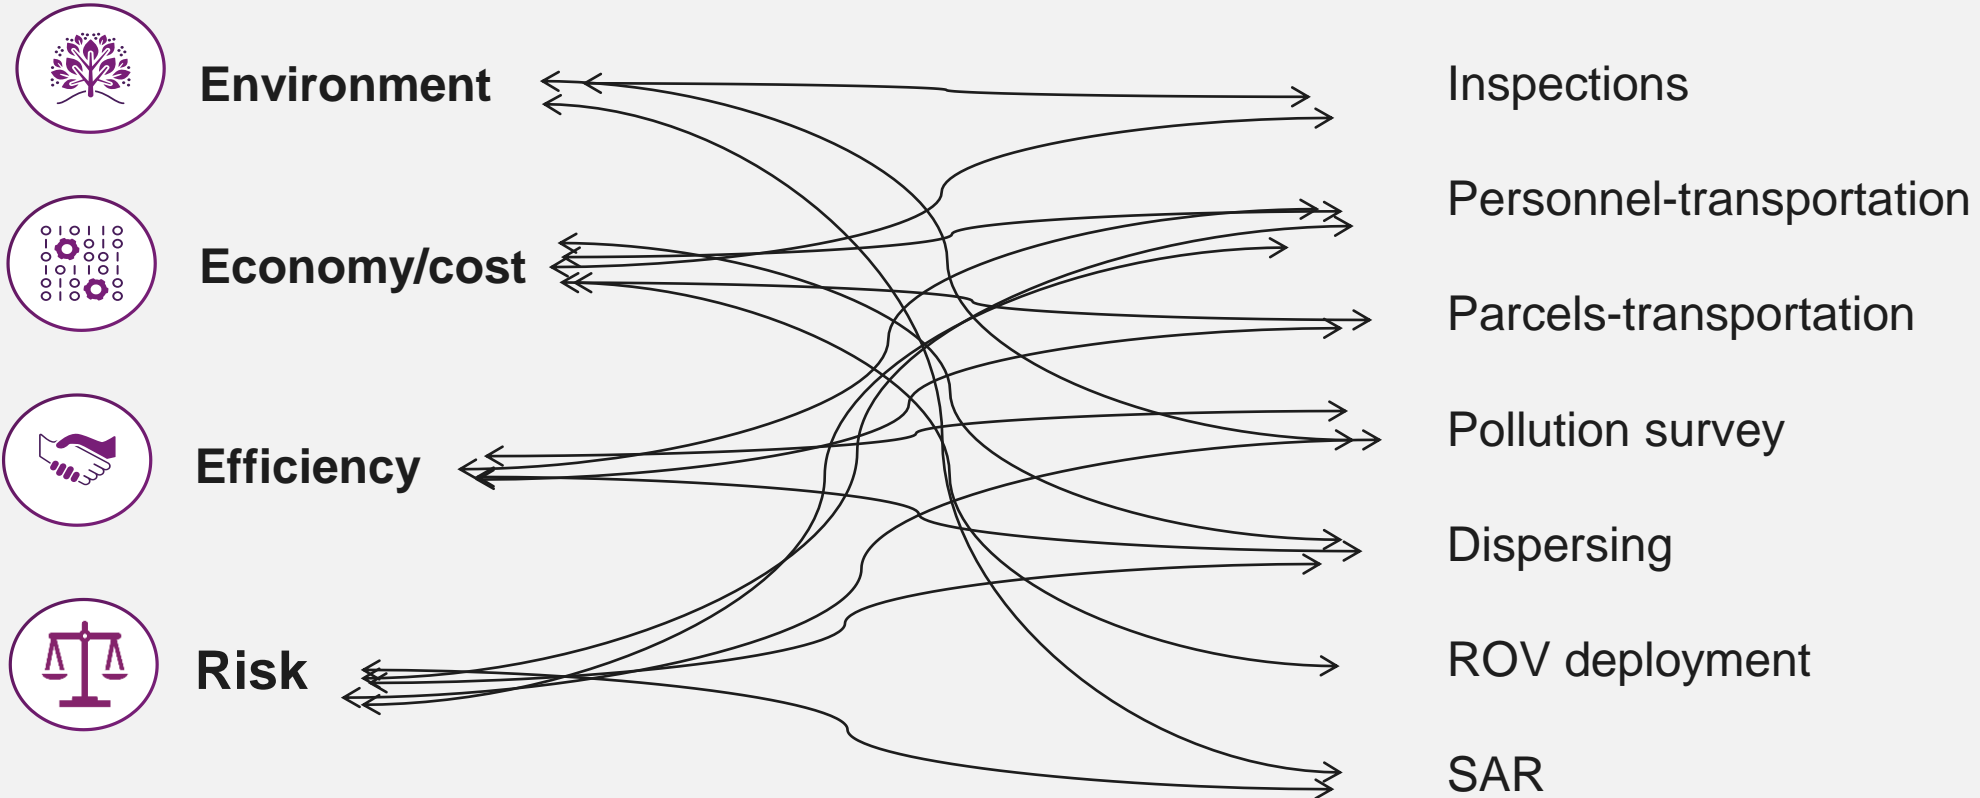

SOLA, 19. SEPTEMBER 2022

Sharing

Possibilities

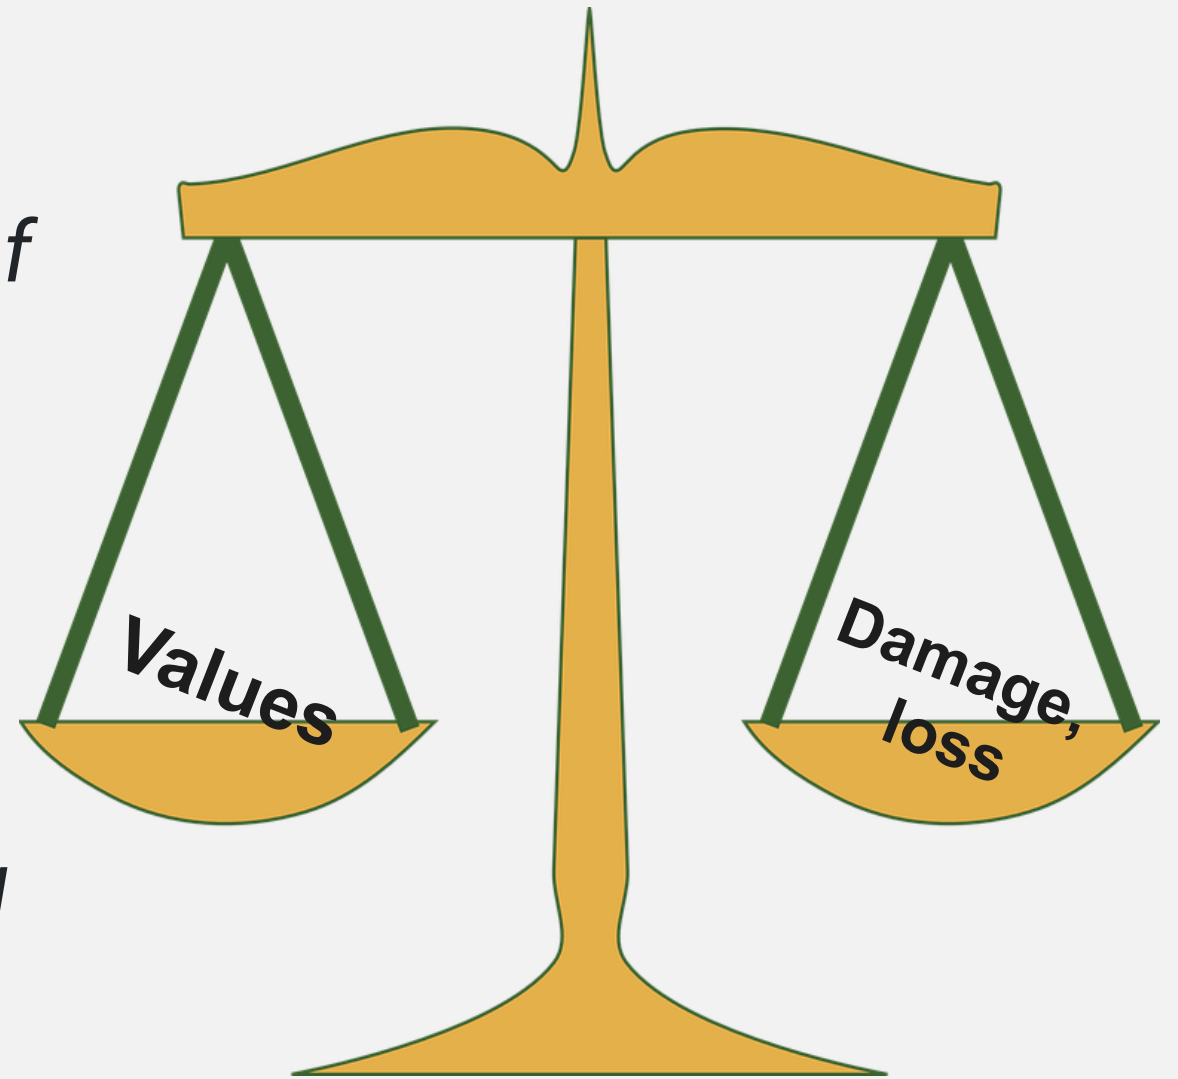

Risk

is the possible consequences of an activity, and its associated uncertainty

Risk Management

is the balance between creating and safeguarding values, and avoiding damage and loss

Challenges

Regulation

Certification of aircraft and operators

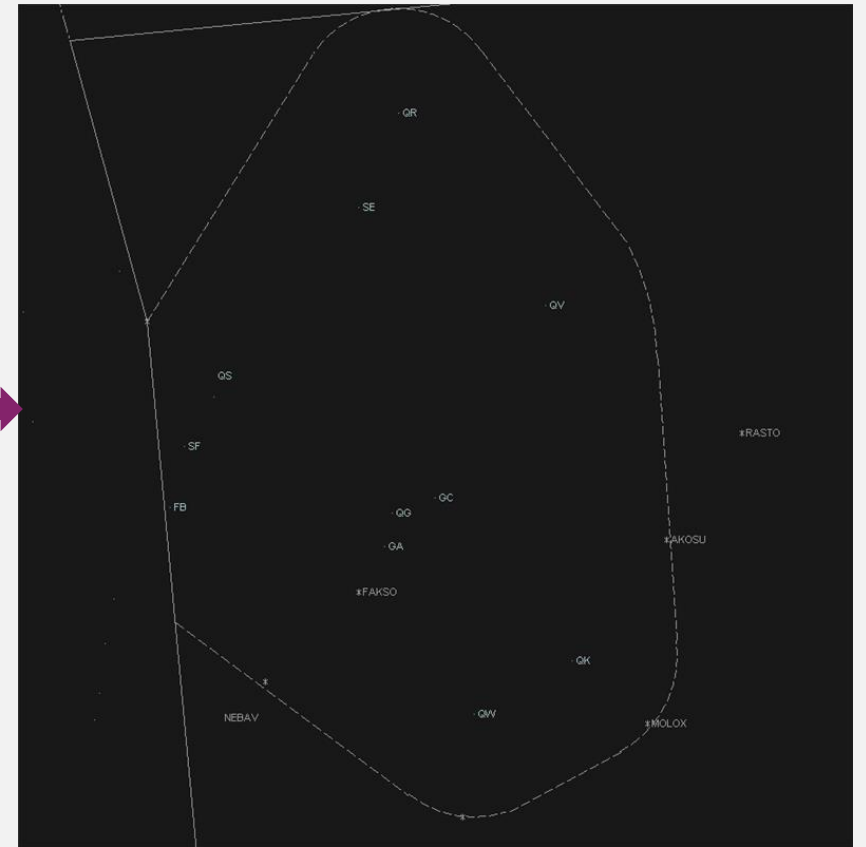

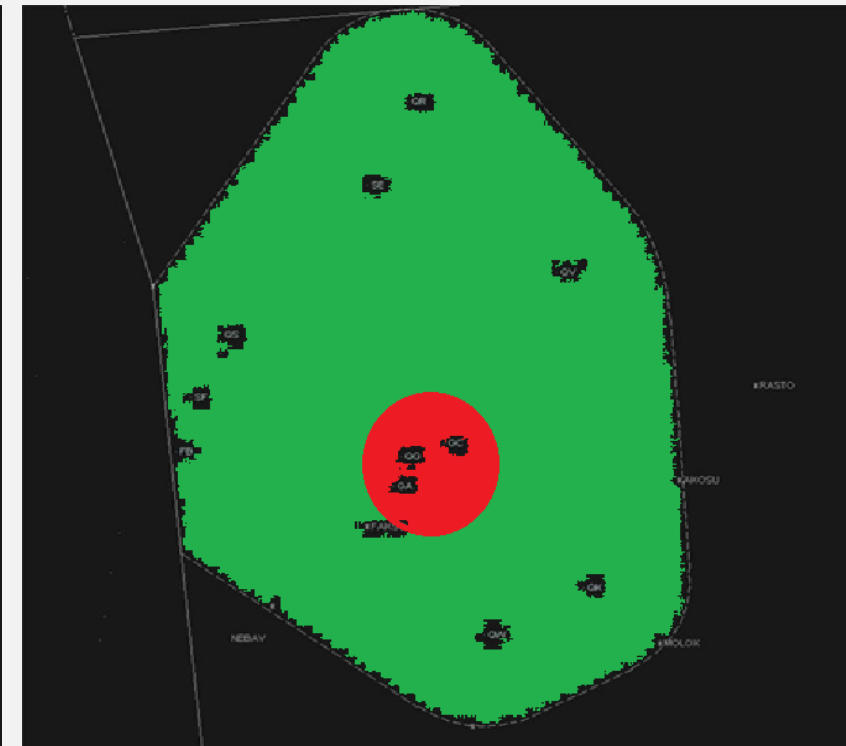

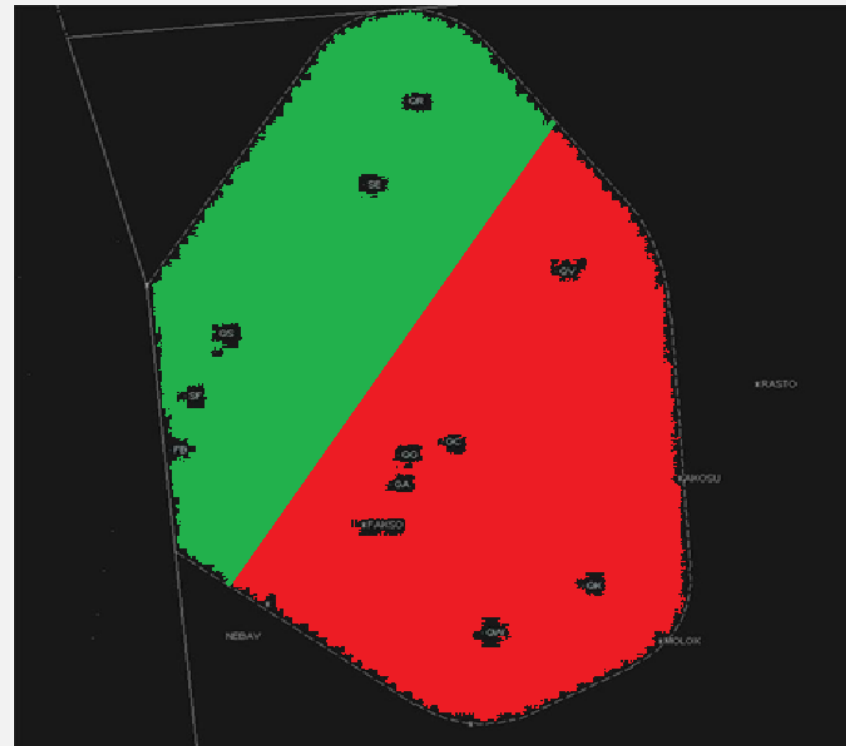

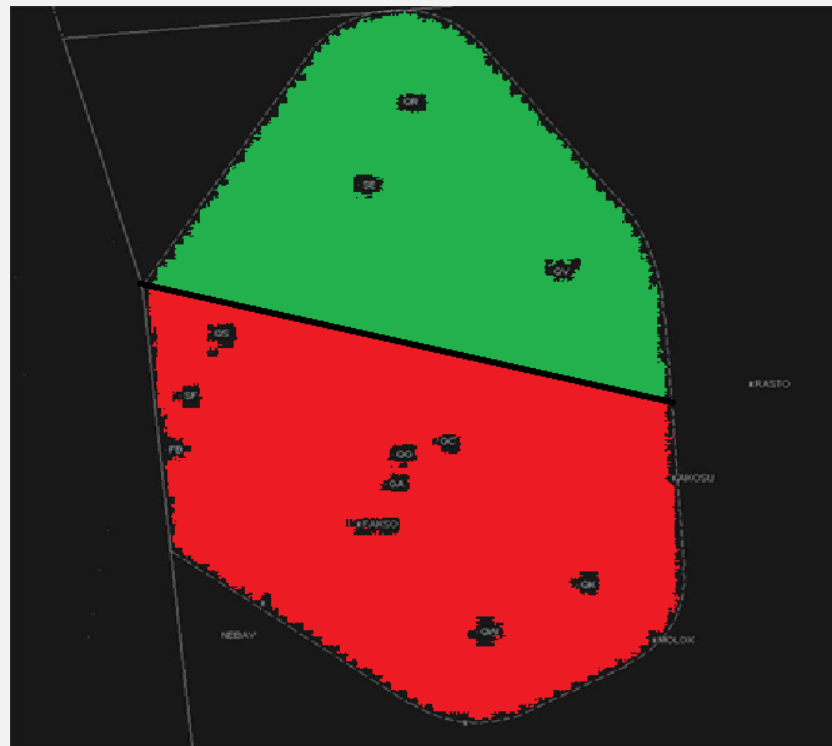

Segregation vs integration

Different paces

The Norwegian Continental Shelf - South

Summary

Excited and active **ATM-community**
(Avinor and it's Subsidiary Avinor ANS)

Risk-balancing

Sharing in a **controlled** manner
