

Solakonferansen Get Together 21 September 2020

At Clarion Hotel Energy, Stavanger, or attend in Webcast format

OFFSHORE HELICOPTER SAFETY

Although this year's "Solakonferansen" will not be completed as planned due to Covid-19, and that the full format and the three-days conference as such is cancelled, we have the pleasure of providing a framework for safety discussions and networking.

We are gathering those who have the opportunity to join us in a social evening including some three specially selected presentations, good food and drinks, and as always, a good networking opportunity. All within the COVID-19 recommendations and in the spirit of Solakonferansen.

The delivery from the program committee is an exclusive sample of very inspirational and engaging speakers, and *anyone looking to join us for a social evening in the light of Aviation Safety is cordially invited.*

We will need a sufficient number of participants in order to hold the event. So, please stay tuned and sign up!

Staying overnight is of course an option and will need to be arranged by the individual.

Date and time	a. 21 September, 2020, at 18:00-21:30 hours for the live option (registration for admission to the event from 16:00) b. 21 September, 2020, at 18:00-19:45 hours for the webcast option
